EMERGENCY MEDICAL INSURANCE

Benefits – What does *Emergency Medical Insurance* cover?

Emergency Medical Insurance covers you for up to \$5,000,000 CDN of *reasonable and customary* charges incurred by you as a result of *emergency treatment* required by you during your trip if a *medical condition* begins unexpectedly after you leave home, but only if these covered expenses are eligible expenses under this policy and are not covered by your *government health insurance plan* or any other benefit plan. The medical attention must be required as part of your *emergency treatment* and ordered by a *physician* (or a dentist in the case of dental *treatment*).

In the event of an *emergency*, call the Assistance Centre immediately: 1 800 211-9093 toll-free from the USA and Canada or +1 (519) 251-7821 collect where available.

Please note that if you do not call the Assistance Centre in an *emergency*, you will have to pay 25% of the eligible medical expenses we would normally pay under this policy. If it is medically impossible for you to call, please have someone call on your behalf.

All medical procedures and/or tests (including but not limited to MRI, MRCP, CAT Scan, CT Angiogram, Nuclear Stress Test, Angiogram or Cardiac Catheterization or any surgery) must be authorized by the Assistance Centre in advance.

Covered expenses and benefits are subject to the policy maximums, exclusions, limitations and any deductible amount (when applicable). The deductible amount, in CDN dollars, is the amount of covered expenses that you are responsible for paying per *emergency* medical claim. Your deductible amount applies to the amount remaining after any covered expenses are paid by your *government health insurance plan*.

The eligible expenses include:

1. **Expenses to receive *emergency treatment*** – Medical care received from a *physician* in or out of a *hospital*, the cost of a semi-private *hospital* room (or an intensive or coronary care unit where medically necessary and could not be omitted without adversely affecting your condition or quality of medical care), the services of a licensed private duty nurse while you are in *hospital*, the rental or purchase (whichever is less) of a hospital bed, wheelchair, brace, crutch or other medical appliance, tests that are needed to diagnose or find out more about your condition, and drugs that are prescribed for you and are available only by prescription from a *physician* or dentist.
2. **Expenses to receive professional services** – Care received from a licensed chiropractor, osteopath, physiotherapist, chiropodist or podiatrist, up to \$300 by profession.
3. **Expenses for ambulance transportation** – *Reasonable and customary* charges for local licensed ambulance service to transport you to the nearest qualified medical service provider in an *emergency*.

4. **Expenses related to your death** – If you should die during your trip from an *emergency* covered under this insurance, we will reimburse your estate for:
 - the return home of your body (in the standard transportation container normally used by the airline); plus up to \$5,000 to have your body prepared where you die including the cost of a standard casket;
 - up to \$5,000 to have your body prepared and the cost of a standard casket or urn, plus up to \$5,000 for your burial where you die; or
 - the return home of your ashes, plus up to \$5,000 to cremate your body where you die including the cost of a standard urn.

In addition, if someone is required to identify your body and must travel to the place of your death, when approved in advance by the Assistance Centre, we will pay the round-trip economy class airfare via the most cost-effective itinerary for that person and up to \$300 for that person's hotel and meal expenses. We will also provide that person with *Emergency Medical Insurance* under the same terms and limitations of this policy for up to 72 hours.

5. **Expenses to bring you home** – If your treating *physician* recommends that you return home because of your *emergency* or if our medical advisors recommend that you return home after your *emergency*, when approved and arranged in advance by the Assistance Centre, we will pay the *reasonable and customary* expenses for:
 - the extra cost of an economy class fare via the most cost-effective itinerary; or
 - a stretcher fare on a commercial flight via the most cost-effective itinerary, if a stretcher is medically necessary; and
 - the return cost of an economy class fare via the most cost-effective itinerary for a qualified medical attendant to accompany you, and the attendant's reasonable fees and expenses, if this is medically necessary or required by the airline; or
 - the cost of air ambulance transportation, if this is medically necessary, is appropriate and consistent with the diagnosis and could not be omitted without adversely affecting your condition or quality of medical care.
6. **Extra expenses for meals, hotel, phone calls and taxi** – If a medical *emergency* prevents you or your travel companion from returning home as originally planned, or if your *emergency* medical treatment or that of your travel companion requires your transfer to a location that is different from your original destination, we will reimburse up to \$350 per day to you to a maximum of \$3,500 for your extra meals, hotel, essential phone calls, internet usage fees and taxi fares (or car rental in lieu of taxi fares). We will only pay for these expenses if you have actually paid for them.

7. **Expenses to bring someone to your bedside** – If you are travelling alone and are admitted to a *hospital* for 3 days or more because of a *medical emergency*, when approved in advance by the Assistance Centre, we will pay the round-trip economy class fare via the most cost-effective itinerary for someone to be with you. We will also pay up to \$500 for that person's hotel and meals and cover him/her under *Emergency Medical Insurance*, under the same terms and limitations of this policy, until you are medically fit to return home. For a *child* insured under this policy, this benefit is available immediately upon his/her *hospital* admission.
8. **Expenses for emergency dental treatment** – If you need *emergency dental treatment*, we will pay:
 - up to \$300 for the relief of dental pain; and
 - if you suffer an accidental blow to the mouth, up to \$3,000 to repair or replace your natural or permanently attached artificial teeth (up to \$2,000 during your trip and up to \$1,000 to continue medically necessary treatment in the 90 days after the accident).
9. **Expenses to return children under your care** – If you are admitted to *hospital* for more than 24 hours or must return home because of an *emergency*, when approved in advance by the Assistance Centre, we will pay for the extra cost of one-way economy class airfare to return your children or grandchildren home via the most cost-effective itinerary and the return economy class airfare via the most cost-effective itinerary for a qualified escort when the airline requires it. We will cover him/her under the *Emergency Medical Insurance*, under the same terms and limitations of this policy for a qualified escort. The children or grandchildren must have been under your care during your trip and be covered under this policy.
10. **Expenses for childcare** – If you are admitted to *hospital*, we will cover the expenses for an attendant to provide childcare services when such service is required. The attendant must be a person other than the child's parent, member of the immediate family, your travel companion, or the person whose guest you are during the trip. We will reimburse you up to \$100 per day to a maximum of \$300 per trip. The child(ren)/grandchild(ren) must have been under your care during your trip.
11. **Expenses to return your domestic dog and/or cat** – When approved in advance by the Assistance Centre, we will pay up to \$500 for the extra cost of economy class transportation to return your domestic dog(s) and/or cat(s) home via the most cost-effective itinerary, if:
 - a) your treating physician recommends that you return home because of your medical condition;
 - b) our medical advisors recommend that you return home after your emergency treatment; or
 - c) you die.
12. **Expenses to return your travel companion home** – We will pay the extra cost of one-way economy class airfare via the most cost-effective itinerary, to return your travel companion (who is travelling with you at the time of your emergency and insured under our travel medical insurance plan) home, if you return home under Benefit #5 (Expenses to bring you home).
13. **Expenses to return your vehicle home** – If, because of a *medical emergency*, hospitalization, death or repatriation, you are unable to drive home the vehicle you used during your trip, when approved in advance by the Assistance Centre, we will cover up to the reasonable cost charged by a commercial agency to bring your vehicle home. If you rented a vehicle during your trip, we will cover its return to the rental agency.
14. **Return to Destination** – When approved in advance by the Assistance Centre and provided your attending physician determines no further treatment is required, you will be reimbursed the extra cost of one-way economy transportation to return to your trip destination after you are returned to your home for emergency treatment under Benefit #5 (Expenses to bring you home). Once you return to your trip destination, a recurrence of the medical condition which required your return home or any related condition will not be covered under this policy. This benefit can only be used once during your trip and only if the return can be arranged within the original period of coverage.
15. **Hospital Allowance** – If you are hospitalized for 48 hours or more, we will reimburse you up to \$50 per day, to a maximum of \$500 for your incidental expenses (telephone calls, television rental, etc.) while you are in the hospital.
16. **Baggage Return** – If you return home under Benefit #5 (Expenses to bring you home), when approved in advance by the Assistance Centre, we will pay the extra costs to return your baggage to your home.
17. **Expenses to replace prescription drugs** – Up to \$50 if you have misplaced or have forgotten your prescription medication during your trip and it is necessary for you to continue taking the prescribed medication. Charges for vitamins, vitamin preparations, over-the-counter drugs, contraception or birth control are not covered.

 - an *act of war* or an *act of terrorism*.

ACT OF TERRORISM COVERAGE

Where an *act of terrorism* directly or indirectly causes *you* a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this policy, this insurance will provide coverage as follows:

- For **Emergency Medical Insurance coverage**, we will provide benefits to *you* for *your* eligible expenses, subject to the maximums shown in the benefits section and this provision; and
- The benefits payable, as described directly above, are in excess to all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to *our Emergency Medical Insurance* shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *us*, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

Coverage is only available for up to two (2) *acts of terrorism* within a calendar year and the maximum aggregate payable limit for each *act of terrorism* is:

Type of Insurance Coverage	Maximum Aggregate for Each Act of Terrorism (CDN\$)
Emergency Medical	\$35,000,000

If, in *our* judgment, the total of all payable claims under one or more *acts of terrorism* may exceed the applicable limits, *your* prorated claim may be paid after the end of the calendar year in which *you* qualify for benefits.

Exclusion to this Act of Terrorism Coverage provision

Notwithstanding any provision to the contrary within this policy or any endorsement thereto, this policy does not cover any liability, loss, cost or expense of whatsoever nature which is directly or indirectly caused by, resulting from, arising out of or in connection with any *act of terrorism* perpetrated by biological, chemical, nuclear or radioactive means, regardless of any other cause contributing concurrently or in any other sequence to the liability, loss, cost or expense.

WHAT ELSE DO YOU NEED TO KNOW?

Coverage under this policy is issued on the basis of information provided in *your* application (including the *questionnaire* if required). *Your* entire contract with *us* consists of: this policy; *your* application for this policy (including the completed and signed *questionnaire*, if required); the *confirmation* issued in respect of that application; and any other amendments or endorsements resulting from extensions or top-ups of coverage.

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact or circumstance concerning this insurance, either at the time of application for this policy (including any request for extension or top-up of coverage for benefits), at the time of claim or at any other moment during *your* coverage period.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

This policy shall be governed by and construed in accordance with the laws of the province or territory of residence of the insured.

Despite any other provision contained in the contract, the contract is subject to the applicable statutory conditions in the Insurance Act, as applicable in *your* province or territory of residence, respecting contracts of accident and sickness insurance.

Limitation of Liability

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and

not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice.

Upon payment of premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and we have received your completed application (including the *questionnaire*, if applicable) prior to your *departure date*. If the premium is insufficient for the period of coverage selected, we will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

You have 10 days from the date of purchase to review this policy. If it does not meet your needs, you may cancel it and get the premium refunded by notifying us. Your ability to cancel the policy may be affected if you have already departed on your trip.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of your payment exists.

How does this insurance work with other coverages that you may have?

This is second payor coverage. You may have other in-force plans or contracts such as, but not limited to, third party liability, auto insurance, group or individual health insurance providing hospital, medical or therapeutic coverage. In this case, the amounts payable under this insurance are limited to that portion of your eligible expenses that are in excess of the amounts provided by those other in-force plans or contracts.

Total benefits paid to you by all insurers cannot exceed your actual expenses. We will coordinate the payment of benefits with all insurers who provide you with benefits similar to those provided under this insurance, (except if your current or former employer provides you with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less, we will not coordinate payment with that coverage. If your lifetime maximum is more than \$50,000, we will coordinate payment.) to a maximum of the largest amount specified by any such insurer.

In addition, we have full rights of subrogation. In the event of a payment of a claim under this policy, we will have the right to proceed, in your name, but at our expense, against third parties who may be responsible for giving rise to a claim under this policy. You will execute and deliver such documents as are necessary and cooperate fully with us to allow us to fully assert our rights. You must do nothing to prejudice such rights.

If you are insured under more than one insurance policy underwritten by us, the total amount we pay to you cannot exceed your actual expenses; and the maximum you are entitled to is the largest amount specified for the benefit in any one policy. If the total amount of all accident insurance you have under policies issued by us is more than \$100,000, our aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

IN THE EVENT OF A CLAIM

In the event of an *emergency*, call the Assistance Centre immediately, prior to receiving *treatment*: 1 800 211-9093 toll-free from the USA and Canada or +1 (519) 251-7821 collect where available.

The Assistance Centre is ready to assist you 24 hours a day, every day of the year.

Please note that if you do not contact the Assistance Centre in an *emergency*, you will have to pay 25% of the eligible medical expenses we would normally pay under this policy (25% co-insurance).

If it is medically impossible for you to call when the *emergency* happens, the 25% co-insurance will not apply. In this case, we ask that you call as soon as you can or that someone call on your behalf. Do not assume that someone will contact the Assistance Centre for you. It is your responsibility to verify that the Assistance Centre has been contacted.

If at time of claim, it is discovered that you no longer have coverage under a *government health insurance plan*, the maximum amount payable for all eligible expenses combined will be limited to \$25,000.

If you choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these services will be reimbursed to you on the basis of the *reasonable and customary* charges that we would have paid directly to such provider. Medical charges that you pay may be higher than this amount; therefore, you will be responsible for any difference between the amount you paid and the *reasonable and customary* charges reimbursed by us. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

To make a claim for benefits under this policy, your written proof of claim and your fully completed Manulife Global Travel Insurance claim form(s) must be sent or submitted to us within 90 days after the event, but not more than 12 months after the date of such event or loss.

More information on the documentation that must be sent or submitted with your written proof of claim is provided on the following pages.

Written claims correspondence should be mailed to:

If *you* are making an **Emergency Medical Insurance claim**, we will need:

- a) original itemized receipts for all bills and invoices;
- b) proof of payment by *you* and by any other benefit plan;
- c) medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment* was appropriate and consistent with the diagnosis and could not be omitted without adversely affecting *your* condition and quality of medical care and cannot be delayed until *your* return *home*;
- d) proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident;
- e) proof of travel (including *departure date* and return date); and
- f) *your* historical medical records (if *we* determine applicable).

Who will we pay *your* benefits to if *you* have a claim?

Except in the case of *your* death, we will pay the *reasonable and customary* expenses under this insurance to *you* or the provider of the service, less any applicable deductible. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount is not payable under *your* policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

Is there anything else *you* should know if *you* have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*, or in the *Limitations Act, 2002* in Ontario, or other applicable legislation.

For the purposes of determining the validity of a claim under this policy, *we* may obtain and review the medical records of the attending *physician(s)*, including the records of the regular *physician(s)* at *home*. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, *we* have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy.

If *you* die, *we* have the right to request an autopsy, if not prohibited by law.
